

**Soul 2 Feet** is an arts in education organisation providing multi-cultural drum and dance workshops for schools, businesses and community groups.

soul 2 feet

Our authentic workshops specialise in cultural heritage and diversity, inclusion and co-operation, communication and teamwork, creative skills and can lead to a performance. We cover African and Brazilian music, song and dance and provide easy access into movement & rhythm using instruments for all ages and abilities. We can complement key stage 1, 2 & 3 of the National Curriculum and provide instruments for up to 200 people

Our team of experienced artists have all undergone an enhanced CRB check as a part of our child protection policy and we have public liability insurance to cover all of our workshops.

Since introducing our educational services in 2005 we have worked with over 11,000 children, young people and adults in schools, colleges, charities and organisations through out Yorkshire. We believe their words speak far louder than any of ours. Here are some of their testimonials:

**Our job here in Leeds is to help schools release the magic in our children and young people. Soul 2 Feet is one of those remarkable organisations that simply makes you want to get up and dance. Whether you are a child or an adult you will be inspired by this wonderful group of talented people.**

day, was amazing to see all the children participate at their own level and having so much fun in the process. Experienced artists worked across the 2 key stages from nursery up to year 6 with appropriate and fun activities. The dynamic and interactive teaching methods engaged all of our children across the ability spectrum.

I have learnt new skills and activities i can reuse in my teaching.

**Mrs K. Sissons - Teacher**

I was a bit apprehensive booking artists we did not know. This day of African dance with live drumming has been fantastic! It has reassured us as Soul 2 Feet completely supported our topics such as community cohesion & diversity, personal & social development and performing arts.

Manor Park Primary, Coventry

Especially rewarding to see our year 6 boys who would not usually be motivated to dance taking a very active part in a tribal warrior dance.

**Mrs A Burns - Head Teacher**  
Yearsley Grove Primary, York

Looking at the smiles on peoples faces at the end of the day says it all really!
